**Sub : Request to extend the time period to submit STATE BOARD NOC for Fresh Affiliation Up To Secondary Level , for our school.**

Respected Sir / Madam,

As our school **SAMPIGE MAHARUDRAYYA ENGLISH MEDIUM SCHOOL**, Maharudreshwara Nagara, Kempapura Road Chikkabanavara- 560090 is located in Bengaluru Municipal Corporation, since last one month due to **Loka Sabha Election of 2024**, all Government offices have been instructed for government election service and the Government officials has been taken to election duty, due to this we have faced hardship to get proper approach with Government officials . We have already applied for required documents ; **STATE BOARD NOC** , it is still pending in respective offices. Without knowing this delay we already created **KYC for affiliation process on April 18th 2024**.

**Now we have to submit Part – A documents within 15 working days otherwise our application will be rejected as your instructions. Therefore May 2<sup>nd</sup> 2024, we are filling and submitting PART A form, later within 15 working days we will submit STATE BOARD NOC without fail.**

Kindly oblige our request and consider hardship due to Loka Sabha Election and extend at least 15 days time period to submit the documents.

Thank you

  
Your faithfully
